

True White + Hunter Green Lucern with Clear Windows, Closed Square Top Section, and Blue Ridge Handles

Nothing can make a post-frame building look as unique as a **Classica Collection garage door from Amarr**. Visually, these doors have the appearance of a vintage wood door, but they are made of sturdy, low-maintenance steel. The numerous designs are stamped directly into the steel, providing a deep embossment and years of worry-free operation. Odd heights and odd widths are available.
